

Centralia Home With Quality Finishes

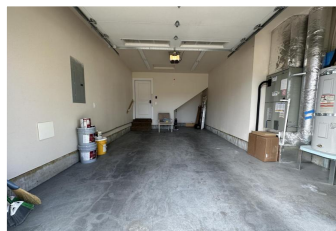

Price: 359,000 USD

Address: 305 W 2nd

City: 98531 Centralia United States

Description:

Beautiful, well maintained home in the Edison district. This home features granite countertops, solid wood doors, tile flooring in the kitchen, dining and bathrooms, and a heat pump that ensures comfortable temperatures year round, an attached insulated garage and ample storage spaces. The additional family room upstairs was used as a third bedroom and provides flexibility. The reinforced deck out back is perfect for grilling and has a hot tub hook up. Exterior was painted last summer. This is a must see home with quality finishes!
